ADM- IT ALL HAPPENED AT FINE FOODS 2019 SYDNEY- 1000 EXHIBITORS

Dear Valued Customer

ADM Packaging Automation was a proud exhibitor at Fine Foods 2019 at the ICC Sydney. We were among almost 1000 exhibitors across two levels showcasing the best of our packaging equipment. We shared a 36sqm stand alongside Titan Packaging who specialize in pouches that run with our equipment. Many exhibitors across Australia and International pavilions can be seen talking up the best and latest the market can offer. From food sampling, to cooking equipment, alcohol testing and talk events that draw in the future of robotics and Automation.

Enquiries came in all day from visitors who knew very little about automation and were excited watching the mechanics of machines to visitors and exhibitors who had interest with systems that can one day be purchased or replace old machinery. As always, the biggest attractions were Best Pizza making and Best Baristas competitions in different parts of the Exhibition. I look forward to future events and hope you can drop by and say hello. Our next show will be at FOOD PRO Melbourne 5-8 July 2020 at MCEC. Click here to for more information

ADM PACKAGING AUTOMATION

WHAT WE DISPLAYED AND DEMONSTRATED

Premade Pouch Packaging Machine

Model: ADM-DP30 c/w AUGER FILLER & 4" THERMAL TRANSFER PRINTER
Bag Type: PILLOW, QUADSEAL FLAT BOTTOM, DOY POUCH
Bag Size: 100-250W, 140-400L, up to 120D
Speed: UP TO 25 PPM
Power Supply: 415V, 50Hz, 4.2kW
Air Consumption: 0.3 CUM/MIN 0.6MPA
Dimension: 2160Lx1920Wx1650H (return) 3150x1920x1650 (Inline)
